HOW IT WORKS

Three steps, then the app does the counting

1. **Share your code.** On counter cards in the places you visit, and in conversations. Everyone who arrives through your link or QR code, or types **EMMA** when they sign up, is linked to you.
2. **They sign up.** Families join the waitlist now and create their account at launch. They stay linked to you either way.
3. **You earn.** Rewards are recorded automatically, and you see your numbers in the PairMundo app under *PairMundo ambassador*.

What you earn

400 kr	for each place still showing your card after 4 weeks
200 kr	for each preschool that mentions PairMundo in its parent newsletter
1,500 kr	for each relocation firm or employer that becomes a partner
US$15	when a family you referred buys their first Family Pass (free trials don't count)
US$40	when a stay starts for a family or au pair you referred

Each person earns you each reward once. Bonuses in kronor apply to places on the list you agreed with PairMundo. Rewards are calculated in US dollars and paid monthly in your currency.

Getting paid

At the start of each month PairMundo sends you what you earned last month. Invoice it with F-skatt, or through Frilans Finans or Cool Company. You're paid within 30 days.

WHERE TO GO

Be where Stockholm families already are

Month 1	High-end salons · baby swim and children's activities · pregnancy and new-parent studios · kids' shops and children's hairdressers · cafés popular with parents · padel clubs
Month 2	Private preschools (parent newsletter) · relocation firms and HR at international employers (PairMundo joins these meetings)
Areas	Östermalm, Vasastan, Danderyd, Lidingö, Djursholm, Bromma, Saltsjöbaden

Your visit, step by step

1. Go on a Tuesday to Thursday, mid-morning or just after lunch. Ask for the owner.
2. Say the 30-second pitch (next page), then put the stand on the counter and stop talking.
3. If they say yes: place the stand where people pay, with 20 to 30 take-away cards beside it. Take a photo.
4. If they hesitate: offer a one-month trial, or leave a card and say when you'll come back.
5. Log it the same day: place, contact name, date, and the photo. Send it to PairMundo.

Every 3 to 4 weeks

Refill the cards, swap in a clean card if it's worn, and ask how it's going. A quick, friendly visit keeps the stand there.

Each place has its own QR code with your code on it, so you earn from all of them and PairMundo can see which ones work. Before a visit, send the place's name to PairMundo to get its cards printed.

WHAT TO SAY

The 30-second pitch

"Hej! Jag kommer från PairMundo, en ny svensk tjänst som hjälper familjer att hitta en au pair på ett tryggt sätt. Många av era kunder är småbarnsföräldrar, så jag undrar om ni skulle vilja ha det här lilla kortet vid kassan? Det kostar ingenting, jag fyller på och hämtar det när ni vill."

"Hi! I'm from PairMundo, a new Swedish service that helps families find an au pair safely. Many of your clients are parents of young children, so would you like this small card by the till? It's free, I refill it, and I'll take it away whenever you like."

Change the opening for each place

Babysim, activities: "Era föräldrar sitter ofta och väntar medan barnen är i gång, och många funderar på barnomsorg."

Pregnancy and new-parent studios: "Många av era kunder planerar hur det ska bli när föräldraledigheten tar slut."

If they hesitate

"Vi har inga annonser här."	"Därför ser det ut så här: inget affischande, bara ett litet kort vid kassan. Vi provar en månad, och jag hämtar det om det inte passar."
"Jag måste fråga ägaren."	"Självklart. Får jag lämna det här så att hen kan se det? Jag kommer förbi på torsdag."
"Är det seriöst?"	"Profilerna verifieras, familjer och au pairer lämnar omdömen om varandra, och reglerna för Sverige kontrolleras åt familjen."
